

Alpha IP Remote Control - 8 Keys – RC8 66001-N1

With the Alpha IP Remote Control you can conveniently control trained devices via eight buttons, e. g. to switch lighting on or off, to dim or to raise or lower roller shutters.

The keys next to each other form a pair of keys and are freely configurable. The left key has the function "Off/Darker/Down" and the right key "On/Lighter/Up".

1.1 Product characteristics

- Universally applicable radio remote control with four freely configurable key pairs
- Convenient control of connected devices enables e. g. switching or dimming of lighting
- Replaceable inscription field on the bottom of the remote control for noting the key functions
- Can be used with the Access Point in conjunction with the Alpha IP app (without follow-up costs)

1.2 Scope of supply

- Alpha IP Remote Control - 8 Keys
- 1.5 V LR03/micro/AAA batteries (2x)
- Label template
- Operating Instructions

2 Technical data

Supply voltage	2x 1.5 V LR03/micro/AAA
Power consumption	100 mA max.
Battery service life	2 years (typ.)
Protection type	IP 20
Ambient temperature	5 to 35 °C
Dimensions (W x H x D)	46 x 131 x 19 mm
Weight	78 g (including battery)
Radio frequency	868.3 MHz/869.525 MHz
Typical free-field radio range	300 m
Packaging dimensions	184 x 93 x 48 mm
Weight incl. packaging	174.0 g
